A Note from Your Administration

We hope you have noticed all the exciting events going on here at WBES. Our construction for eight new classrooms has begun. Our Beautification Day produced a new map of the United States, murals, new trees, and potted plants. We've had science fair winners, perfect attendance class ice cream parties, and prizes for TNReady testing. Thanks for another great year!

Glenda Sullivan, Assistant Principal

2018 KIDS' CARNIVAL

Our usual Beach Bash cannot happen this year because the construction has the back of the school and water access closed off. We still want to do something to celebrate such a great year, so we are planning a kids' carnival. We hope to include inflatables, snacks, tattoos, face-painting, and carnival games.

We will be sending out info with your child about the event. Teachers may be requesting volunteers, donations, or suggestions. Watch for this information to come home with your child.

Dropping off Car Riders/Breakfast Time

Just a quick reminder that the school doors will open at 7:10 a.m., and you should not drop car riding students off in the morning before that time unless they are in Day Care. Our staff will be here to open doors and supervise at 7:10 a.m. Breakfast serving times are from **7:10 a.m. until 7:45 a.m.**

2017-18 yearbooks are still available!
